

Shelley Maisel

Workshop

The Potter's Association of Namibia is excited to offer a two-day workshop by Shelley Maisel in **July and August 2026**.

For more information please follow Shelley at:

Facebook: shelleymaiselceramics

At the workshop, Shelley will demonstrate a range of decorating techniques using oxides, decorating slips, dry brushing, stamping, dry and wet sponging.

Participants will construct a vessel using a form. In addition, potters must bring the following stoneware items:

- One small undecorated greenware piece
- One small undecorated bisqueware plate or flat bowl
- One partially glazed glazeware piece with line/marks on it (marks to be made at the greenware stage over underglaze).

These items will be decorated using the range of the techniques demonstrated.
